

STEPPING STONES

Helping West Virginia youth one step at a time.

On September 09, 2023, Stepping Stones, Inc. will be hosting a Four Person Scramble Golf Outing Fund-Raising Event at Creekside Golf Course in Lavalette, WV. All funds raised at our tournament will help us fulfil our mission to help us support our boys as they realize their potential one step at a time. These young men have faced much adversity and trauma in their young lives and your generous support helps us to provide the treatment, community experiences, support, and services they need to be successful.

We cannot do this alone. By participating in our tournament, sponsoring our tournament, donating prizes, or volunteering you are coming together as a community to provide a pathway to success for our young men. By building a community that provides youth with connectedness and empowers them to achieve their goals while providing a safety net of support we believe these youth will be empowered to succeed. If you are interested and would like more information, please do not hesitate to contact us. We can share how your donation will be used and recognized via formal written acknowledgement meeting the IRS requirements for your charitable donation. You will be joining a community partnership that is committed to our area's most vulnerable youth having the safe and nurturing environment needed to be safe, happy, well and able to pursue their hopes and dreams.

In addition to great golf, we intend to provide breakfast, refreshments during the day and a great catered lunch for all the participants afterward. And we would like to have a drawing for prizes for our golfers. There are several ways you can help!

Below are just a few:
